In the G.O. first read above, orders were issued according permission to Dr.Anji Reddy Charitable and Educational Trust, Piduguralla, Guntur District to start B.Sc.(N) course in Dr.Anji Reddy College of Nursing, Piduguralla, Guntur with an intake of 40(forty) students from the academic year 2013-14.

2. In the representation 2nd read above, the Secretary, Dr.Anji Reddy Charitable and Educational Trust has submitted that Dr.Anji Reddy Charitable and Educational Trust is a service organization working for the upliftment of one of the most backward Palnadu regions in Guntur District of Andhra Pradesh. The trust runs its own 150 bedded Multi Specialty Hospital in the name of Dr.Anji Reddy Hospitals at Piduguralla town of Guntur District since 1978. In a rural backdrop, the hospital had difficulties in finding trained staff. With the idea of providing training to students in the rural backdrop and also improving healthcare, the trust has obtained Government Order in the month of February of 2014 to start college of nursing in the name of "Dr.Anji Reddy College of Nursing" for the academic year 2014 – 15.

3. The institute received a letter from Indian Nursing Council on 10.02.2015 via a letter dated.03.02.2015 for inspection of the institution from 16.02.2015 to 17.02.2015. The INC inspectors who visited the institute on 16.02.2015 were happy with the way the college was started in such a rural area which has no proper access to health care and the service motive of the trust was appreciated by the inspectors and they gave a very favourable feedback. The institute received a letter from Dr.NTR University of Health Sciences dated.16.02.2015 stating that the proposals cannot be accepted for the academic year 2015-16 by which time Government Order gets expired on 06.02.2015.

4. The Secretary, Dr.Anji Reddy Charitable and Educational Trust, has requested the Government to consider their appeal and provide extension of time to the G.O.MS.No.28 to facilitate the institution to start the B.Sc. Nursing course for the academic year 2015-16.

5. In the letter 3rd read above, the Registrar, Dr.NTR University of Health Sciences, Vijayawada has requested the Government to consider the representation of the Secretary, Dr.Anji Reddy Charitable and Educational Trust, Guntur and extend the validity of the Government Order beyond one year for starting the above college.

6. In the representation 4th read above, the Secretary, Dr.Anji Reddy Charitable and Educational Trust has requested the Government to consider their plea for extension of Government Order as there were no lapses on their part and it has great financial implications and a great loss of reputation to the trust as several parents are already waiting to join their children seeing the good infrastructure and good reputed hospital which will be of great help to train their children.

(P.T.O)
